

Dear Sir/Madam,

Please find attached information concerning the XRF training course that is being offered by XRF & XRD in the workplace.

XRF & XRD in the workplace is an organisation created by Australia's XRF and XRD suppliers. Its objective is to provide high quality training for industry professionals. It is not an advertising opportunity for manufacturers.

The "*Practical XRF Spectrometry in the Workplace*" course is being held in March 2006. This five-day course will focus on most facets of XRF. It is being coordinated by a highly respected industry professional, Dr Ken Turner BSc (Hons), PhD.

Venue: SGS Australia Pty Ltd
45 Fitzroy Street
Carrington
NSW 2294

Dates: Monday 27 March to Friday 31 March 2006 (inclusive)
Hours 0900 - 1700

Price: A\$3,000 plus GST

Early Bird Discount: Receive a discount of A\$500 by paying before 28 February 2006

Inclusions: Course Notes
Certificate of Achievement
Refreshments and Lunches (Monday to Friday)
Course BBQ on Monday night

Benefits: Opportunity to refresh your XRF knowledge
Professional training for laboratory staff
The course is not Brand Specific and/or Type Specific
(WDXRF and EDXRF will be discussed and several different brands of instruments will be available)
Theory will be supported by practical exercises
Sample preparation will be included
Opportunity to network with peers and industry professionals

NOTES:

SGS Australia is concerned about creating a safe working environment. Please consider your safety and the safety of others when working in the laboratory.

Safety Clothing: Participants MUST wear closed shoes, long sleeves, long trousers and safety glasses while working in the Laboratories. PLEASE BRING YOUR SAFETY GLASSES.

Prices exclude travel, accommodation, evening meals and other costs associated with living in Newcastle during the course.

Accommodation: Newcastle has an abundance of hotels and accommodation. Any hotel may be used for the period of this training. It is up to the participant to arrange accommodation. If you require assistance in choosing a hotel please do not hesitate to contact Scott Gilroy on the number below.

Parking: Parking is available at SGS Australia. No Permits are required.

Should you require further information please do not hesitate to contact me.

Yours sincerely

Scott Gilroy
